1. Open your eyes to the light that is shining
Open your eyes to the small steadfast flame
There in the darkness a candle is burning
Lighting the darkness, lighting the way.

*Look to my candle that lights up your darkness
Lighting the way I have asked you to go
Light everlasting, lighting the pathway
Steadfast and certain, this small candle flame*

2. Trust in my candle that shines in the darkness
Here in my presence you're never alone
Silent and vulnerable, light everlasting
Darkness can never extinguish my flame

*Look to my candle that lights up your darkness
Lighting the way I have asked you to go
Light everlasting, lighting the pathway
steadfast and certain, this small candle flame*

3. Light in a world full of darkness and sadness
Certainty flickering, fanned into flame
Mine is the candle that burns in the darkness
Lighting the way, leaving nothing the same

*Look to my candle that lights up your darkness
Lighting the way I have asked you to go
Light everlasting, steadfast and certain
Follow my candle, I'll show you the way*

Light in the darkness, my light in the darkness
My light in the darkness will light up your way.
