

When Darkness Falls

Song Lyrics

2. BEYOND MIND

Beyond my mind
Ever shifting sea
Beyond my mind
Ever changing waves passing by
Beyond my mind
Overwhelmed beneath this fear.

*Holding on to the love you've given
For the waves are crashing over me
Holding on in the wind and the rain,
In this dark and stormy sea.*

Beyond this time
Hidden by the sea
Beyond this time
Crying out for love in the deep
Beyond this time
Storms will clear, and darkness cease

Beyond this sea
There will be no fear
Beyond this sea
There will just be freedom to be
Beyond this sea
Held by love, released and free
