

When Darkness Falls

Song Lyrics

3. CHANGE THE WORLD

I just wanted life to be the way you said it was
How you said it would be
I'd have given anything to change the world for you
Laid my life at your feet
You were all I knew, you defined my life
You were all I knew, you were why I tried
How I tried to be wrong
To deny my heart it's song
To be true to the life you had claimed

Now I know that all the things you said were true
Were just there to cover your lies
Now I know that all along, you knew what I'd become
Crushed beneath your disguise
You were all I had, you were all I knew
You were all I had, love that looke to you
I believed what you said
All your lies that filled my head
I believed that your anger was love

Yes I lived my life for you
Trying hard to live the truth
But I've found that lies and truth
Just can't be mixed any more
It's so hard to walk away
But I know that I can't stay
Where your love denies the truth
And love means hate

It's so hard to walk away
But I know that I can't stay
And I have to hope my heart will find a way.
