

When Darkness Falls

Song Lyrics

6. MOUNTAINS

Far away the mountains whisper, secrets to the sky
Covered now in mist, I wonder why
Secret shades of night are falling,
Sunlight passes by, gone to pastures new
I don't know where, I don't know why

I have looked to the sky
Searched the clouds for happy endings
Where the birds pass me by
But the wind won't tell me why
I have climbed every hill
But the mountains don't have answers,
Only questions, only questions in the rocks beneath my feet
I have searched every sea, but I still don't have the answer
Only questions, only questions; answers out of reach.

Tell me why the clouds are shifting, every time I look
Tell me why the storm erodes
The tumbling mountain brook
Tell me why the rocks would cast their shadows on my way
Time and time again, I find that rain obscures today

Searching in the shadows
For the answer to my questions,
For the answers that are just held out of reach
Tired of chasing shadows
But afraid that in this darkness
I might find the love that bids my questions cease.
