
Beyond – Song Lyrics

10. Deep

Deeper than Deep
Infinite mystery
Knowing so deep
Knowing me
Deeper than Deep
Keeper of History
Love so complete
Loving me

1. Drawing near,
Where the silent shadows fall
Drawing closer,
Closer knowing all
Reaching out with a tenderness,
Revealing hand of grace
Perfect love
Reaching to the secret place.

Deeper than Deep
Infinite mystery
Knowing so deep
Knowing me
Deeper than Deep
Keeper of History
Love so complete
Loving me

2. Knowing all,
Knowing beauty, knowing pain
Knowing gardens,
Hidden and afraid.
Finding light in the shadow land,
Each secret garden grows
To be loved,
To be treasured
To be owned
