1. Calling out along the road of life to find a meaning.
Dead end crossroads so confused
Hear the blackbird singing songs of everlasting kindness
To the lazy, crazy moon
Hope you find a signpost soon

*Where are you walking
What are you talking
Lift your eyes take a look around you.
Where are you walking
What are you wanting
Open up your eyes,
For He's standing by your side
Open up your eyes
See His love.*

2. From the midst of time come thoughts and visions lost in silence.
Dreams that circumstance denied.
Lost in history the hope that God was there beside you.
Thoughts of Jesus brushed aside
Empty statues in your mind

Chorus

3. In the times of disappointment He was there beside you.
With compassion in His eyes.
In the joys of life He longs to share with you in laughter
But His love is still denied
'Til you open up your life.

Chorus

Simply waking on the journey of your life
Simply walking the road before you.
See Him walking, He's the purpose He's the life
See him walking, he's there beside you.

Chorus
