1. Bigger than our fears,
 Wiser than the years;
 Come into the presence of the Lord.
 All are welcome in
 There to dwell with Him;
 Enter now the presence of the Lord.

*Just as I am, I come.
 Just as I am, I come.*

2. His arms are open wide,
 Love within His eyes.
 Come into the presence of the Lord.
 Love so pure and true
 Calling out to you;
 Enter now the presence of the Lord.

*Just as I am, I come.
 Just as I am, I come.*

God of Love,
 Perfect Love.
 Just as I am, I come.

*Just as I am, I come.
 Just as I am, I come.*
