

*Jesus, Jesus, Holy Lord of all.
Precious Saviour
Ever living God.
Closer than a friend,
True and faithful lover.
How I love Your name
Lord Jesus.*

You alone have set
My heart on fire.
Drawn me close,
Become my one desire.
All I want to know is more
and more of You my Lord
I love You Jesus.

Chorus

Jesus You are beautiful to me
Holy Lord,
I worship at Your feet.
All that I can offer You
Is simply not enough
I love You Jesus.

*Jesus, Jesus, Holy Lord of all.
Precious Savior
Ever living God.
Closer than a friend,
True and faithful lover.
How I love Your name
Lord Jesus.*
