

1. Those who wait
Will renew their strength
Rising with wings
On Your love
Soaring like eagles.
Lord, Your love
Will have no end,
And we will worship
Your name for ever and ever.

*For You are God everlasting,
Lord over all.
Creator of heaven and earth,
At Your feet Lord we fall.
Who can compare with Your
power, mercy and love?
Flying free in Your grace,
We're transformed
by Your love.*

2. Those who fall,
Who are tired and weak
Will be renewed by
Your love –
Shall run and not weary.
Lord Your power
Will renew my strength
And I will soar in Your love
for ever and ever.

*For You are God everlasting,
Lord over all.
Creator of heaven and earth,
At Your feet Lord we fall.
Who can compare with Your
power, mercy and love?
Flying free in Your grace,
We're transformed
by Your love,*
