

1. Simply to worship
To stay by Your side.
Close in Your presence
In You I would hide.
Here in Your loving arms
My heart can find
True peace.
Captured by freedom
Like a restless bird
released.

*Kneeling by Your side
Reaching out in worship
All I want to know is You,
Jesus.*

2. All my desires

The things I would do,
Fade Like the flowers
Are gone like the dew.
Only within You will
Can striving know
release.

Anger and sorrow
Give way to perfect
peace.

*Kneeling by Your side
Reaching out in worship
All I want to know is You,
Jesus.*
