The songs contained here may be used without restriction for worship in small or large groups and Church congregations. If they are performed to a paying audience, permission **must** be sought from Judy at the address on the front cover of this booklet. Depending on the circumstances of the performance a small charge may be negotiated for the public performance of these songs to a paying audience.

The above conditions of use also apply to the recorded material.

COME to the Holy One
Kneel in His presence.
Come to the Holy One,
Jesus the Lord.
Heaven and earth will be
filled with His glory.
Holy is the Lord.

Come to the Holy One,
Reach out and touch Him.
Reach out and touch Him,
The Lord of all Lords.
Mercy and justice are
found in His presence.
Holy is the Lord.

FAITHFUL GOD

Jesus,
Lord of Heaven and Earth.
Faithful and true
Lord of the future
Lord of the past,
I put my trust in You.

HOLY

*You are holy, beautiful
Lord God Almighty
Holy, Jesus,
Lord of All.*

The first and everlasting.
Forever You're the same
Perfect and Holy,
Is Your name.

Chorus

The earth will kneel in worship
The oceans shout Your praise.
'Holy and righteous
full of grace'.

Chorus

COME LORD

*Jesus, Lord Jesus
Hear Your people as
We call upon Your name.
Come Lord Jesus,
Jesus, Jesus.*

1. Come fill our lives
Full of Your presence,
Lord we are seeking
After Your heart.
Just like a deer
That's panting for water
Lord we are thirsty
For you now.

Chorus

2. Reveal Your ways,
Show us Your mercy.
Lord we are thirsty,
longing for You.
We bring this land,
Lay it before You,
Lord we are crying
Out to You.

Chorus

Calling on Your name
Calling on Your heart of mercy.
Send Your power again,
On this nation.

Chorus

JESUS, closer than
a heart beat.
Jesus, stronger than
my fear
Jesus, Jesus.

You have my heart
All that I am
Jesus, Jesus

JUST AS I AM

Bigger than our fears,
Wiser than the years;
Come into the presence
of the Lord.
All are welcome in
There to dwell with Him;
Enter now the presence
of the Lord.

*Just as I am, I come.
Just as I am, I come.*

His arms are open wide,
Love within His eyes.
Come into the presence
of the Lord.
Love so pure and true
Calling out to you;
Enter now the presence
of the Lord.

Chorus

God of Love,
Perfect Love.
Just as I am, I come.

*Just as I am, I come.
Just as I am, I come.*

LORD HAVE MERCY

1. Lord, we're crying out to You
Have mercy on this land
Have mercy on this nation.
Doubt and darkness close around
Confusion like a shroud
Deceives the heart of man
Lord, Your love is everlasting
Your compassion never ends.
Lord have mercy on this nation
Revive Your church again.

*Jesus, hear Your people crying
Jesus, turn our hearts to You.*

2. Veiled in shadow, veiled in fear
Afraid to let You near
Or leave the chains that bind us.
Send Your holy fire again
The fire of Your love
To melt the hearts of man.
Lord have mercy on this nation.
Melt our hearts to feel Your pain.
Lord we're crying out for mercy.
Revive Your church again.

Chorus

3. Lord, You're coming soon to reign
With glory and with power,
To shouts of adoration.
Rouse Your sleeping church again,
Renew in us the love
That led You to the cross.
Love that's far beyond the human.
Crucified to set us free.
Lord have mercy on Your people
Too frightened to be free.

Chorus

*Jesus, hear Your people crying
Jesus, have mercy on this land.*

MORE OF YOU

*Jesus, Jesus, holy Lord of all.
Precious Saviour
Ever living God.
Closer than a friend,
True and faithful lover.
How I love Your name
Lord Jesus.*

1. You alone have set
My heart on fire.
Drawn me close,
Become my one desire.
All I want to know is more
And more of You my Lord
I love You Jesus.

Chorus

2. Jesus You are beautiful to me
Holy Lord,
I worship at Your feet.
All that I can offer You
Is simply not enough
I love You Jesus.

RISEN!

*Jesus is risen,
He lives!
We rejoice
Jesus is risen,
He lives!
We rejoice.*

1. Jesus is risen
Up from the grave.
His resurrection
Means we can be saved.
Death is defeated,
The vict'ry's won.
So tell the world
Of the things He has done.

Chorus

2. Now by His mercy
We live in Him,
And He has broken
Our slavery to sin,
And by this power
We shall not die,
But live for ever
With Jesus on high.

Chorus

3. No more addiction,
No more defeat,
His power is greater
Than any we meet.
Satan is conquered,
The battle won.
Great is the vict'ry
Of Jesus, God's Son.

Chorus

RISING UP

1. Those who wait
Will renew their strength
Rising with wings
On Your love
Soaring like eagles.
Lord, Your love
Will have no end,
And we will worship
Your name for ever and ever.

*For You are God everlasting,
Lord over all.
Creator of heaven and earth,
At Your feet Lord we fall.
Who can compare with Your power,
Mercy and love?
Flying free in Your grace,
We're transformed by Your love.*

2. Those who fall,
Who are tired and weak
Will be renewed by
Your love –
Shall run and not weary.
Lord Your power
Will renew my strength
And I will soar in Your love
For ever and ever.

RIVER

1. Cool and refreshing
A stream in the desert.
Flowing right into
Your heart.
Reaching the depths
Of the pain and the sorrow.
Love of God.
Waters of healing and
Rivers of cleansing
Flow into the soul.
Jesus Your love is
Transforming us
Molding and forming us,
Making us whole

*River of God, flowing out
from Your throne.
Waters of healing and mercy.
Let Your love consume
Every part of our lives
Let Your river flow Jesus.*

2. Perfect and holy
We stand in Your presence.
Cleansed by the
River of God.
Free from our sins
We are cleansed
And forgiven,
By Your cross.
Though undeserving,
Your love, like a river
Flows even to me.
Jesus, Your love is
Transforming us
Molding and forming us
Setting us free.

Chorus

EZEKIEL 47:1-12

1. **SIMPLY TO WORSHIP**

To stay by your side.
Close in Your presence
In You I would hide.
Here in your loving arms
My heart can find
true peace.
Captured by freedom
Like a restless bird released.

*Kneeling by Your side
Reaching out in worship
All I want to know is You, Jesus.*

2. All my desires
The things I would do,
Fade Like the flowers
Are gone like the dew.
Only within your will
Can striving know release.
Anger and sorrow
Give way to perfect peace.

Chorus

WORSHIP

1. How You gently lift me
Every time I fall
You are my Redeemer
Ever-living Lord.
When I call
You're there beside me,
God of love,
Strong and mighty.
In the storms
You're there to guide me,
Living Lord.

*I will praise Your name,
I will worship You
My Lord and King.
I will praise Your name
Declare that You are God.
I will give You all the glory
I will praise Your name
Above all things.
For You alone are holy Lord*

2. All the stars above us
Glorify Your name
You alone are Lord of all
Worthy of our praise.
So I lift my voice
To praise You
And I give my life
To worship You.
All my days
I long to be with You,
Living Lord.

Chorus
